

NISSAN NAVARA
OFF-ROADER AT 32

THE ALL-NEW NISSAN NAVARA OFF-ROADER AT32... **TAKING TOUGH AND MAKING IT TOUGHER**

Tested in Icelandic and Arctic conditions, be it snow, rock, rivers or sand with its taller, wider tyres, more ground clearance, less impact and maximum control, the NISSAN NAVARA OFF-ROADER AT32 is ready for adventure.

- **AT Superior all round, vehicle profile styling**
- **AT Performance Suspension – 20mm elevation**
- **Improved height, handling and visibility**
- **AT Bespoke Underbody protection**
- **32” Nokian 275 / 70 / R17 Rotiiva tyres**
- **AT 17 x 8 All-Black Alloy Wheels**
- **Exceptional on-road handling and off-road capability**

Tougher than ever before the NISSAN NAVARA OFF-ROADER AT32 is specially engineered to handle the most challenging landscapes. A pickup that stands out and stands up to all expectations.
