*5 year / 125,000 mile warranty (whichever comes first) applies to all new Isuzu D-Max models. **3.5 tonne towing applies to all 4x4 models. *** Specification may differ from final production version. ¹ADAS are driving support systems which may not operate optimally under all driving conditions or for all objects. The driver is always responsible for safe and attentive driving and observance of traffic regulations. See Owner's Manual for complete details on system operation and limitations. Contact your local Isuzu dealership or visit isuzu.co.uk for full details.
